

## Michael Fugler to Speak at Finance iQ (IQPC) Global Private Equity Conference, New York, NY

Perdido Key, FL ([PRBuzz](#)) February 1, 2011 -- Michael Fugler to be Featured Speaker at Finance iQ, a Division of IQPC, Global Private Equity Conference on Identifying Global Growth Strategies and Discovering New Opportunities in New York, NY, February 17-18, 2011.

Michael Fugler, Chairman, EURO Financial Network, will speak on:  
Buying Corporate Debt

Companies have streamlined their operations during the recession. Now, their cash reserves are fueling their growth and pushing investment-grade borrowing costs down. The sale of corporate debt is slowing down due to companies waiting to get a better rate and the assurance of a relatively safe return. Will issuance and sale of corporate debt continue its downward slide or will this model regain its stronghold?

- Commercial Paper
- Asset-backed Commercial Paper

Michael Fugler stated, "This event will bring together investors from corporate and public pension plans, institutional investors from foundations and endowments, private equity firms, venture capitalists, investment banks and investors. It will be a privilege to share the stage with other thought and practice leaders in this industry to share best practices and keen insight by critically exploring regulation, emerging markets, noteworthy trends and other issues facing the private equity industry."
