

Michael Fugler, Chairman, EURO Financial Network, Interviews Presenting Issuers at FSX for FSX TV

Dallas, TX (PRBuzz.com) February 22, 2013 -- Michael Fugler, Chairman, EURO Financial Network, Inc., interviews presenting Issuers at the Financial Services Exchange (FSX) conference in Dallas, Texas for FSX TV.

Michael Fugler, Chairman of EURO Financial Network, Inc., stated, "InterlinkedTV is an exciting new media platform which I am excited to be part of. The company provides an Internet video production and distribution site dedicated to entrepreneurs and investors. They feature education, public and private companies, venture and capital market news and investment events. The interesting feature for the viewing public is that the content is exclusive and cannot be found anywhere else. While Interlinked itself provides special behind the scenes information on opportunities, InterlinkedTV gives both its members as well as the general public as viewers a unique chance to meet the CEOs and executives of high growth companies and experience rich new content dealing with entrepreneurialism and special features."

Mr. Fugler further stated that he will be soon entering into a partnership with InterlinkedTV, but in the interim suggests viewers tune in often and watch as the company moves from "beta" as they are always adding new content and features developing exclusive content through new partnerships with private investment conferences, investment events, companies and IR/PR firms.

Mr. Fugler is a global expert and speaker on Entrepreneurship. Delivering education, training, and demonstration workshops on how to go from an idea on a napkin to a stock exchange listing and all steps in between. He has developed the Business Mastery System for Entrepreneurs, teaching how to find capital around the world. Whether seminars, webinars, panels, speaking engagements or public appearances Michael gives an overview of the vision and the knowledge which gives a clearer understanding of how to develop a "Master Plan" using technology and social media in shaping client acquisitions and relationships in this new economy and our changing world, ending with how to develop and present "killer" client presentations that will move clients to action.

Mr. Fugler has been a licensed Attorney for 40 years developing an expertise in international law and finance, international investment and merchant banking. He has also been an Investment Banker for the past 17 years being [FINRA](#) registered with

Series 7, 24, 63, 79 and 99 licenses and establishing offices and providing extensive consulting and guidance to institutional investors throughout Europe and the USA and now Asia.

FSX is the premier investment conference organization in the United States. Founded in 1983, they are a national organization comprised of independent FINRA broker/dealer firms. Through a series of regularly scheduled conferences, FSX brings these firms together with the purpose of sharing information and showcasing investment opportunities. The organization has hosted consecutive quarterly conferences for more than 25 years. FSX is one of the most reputable and established national alliances in the country for independent broker/dealers and their firms. FSX has a nationwide network of independent broker/dealers and sponsor organizations. Its member firms have a combined sales force of thousands of licensed professionals with clients who may want to invest in your company. To date, more than \$2.8 billion has been raised for presenting companies through the FSX network.

InterlinkedTV

InterlinkedTV gives the public a glimpse into Interlinked's private network of Investors, Partners and Companies.

InterlinkedTV is an internet video production and distribution site dedicated to Entrepreneurs and Investors.
