Mr. Fugler, stated, "The CXO Collective Atlanta meeting was an opportunity for me to present new ideas on Entrepreneurship and Capital formation in America developing since the Great Recession to a group that is trying to take some initiative and pave the way for creating and implementing a new structure of 'local chapters' comprised of investors, entrepreneurs, C-level talent and consultants to buy, build and sell companies."

Mr. Fugler further stated that he was recommending to the group that they explore with him the latest tools, technologies, strategies, software and services, but the most important aspect was hands-on training and face-to-face interaction with experienced veterans.
