Attention Grabbing Publicity & Public Relations and Marketing Seminar, Michael Fugler

Russ Sens, State Chairman Publicity & Public Relations, stated, "Michael provides just the right amount of stimulation to keep our troops energized with a good balance of creative energy and diplomatic encouragement."

Mr. Fugler stated, "For decades, the Elks have been under the radar, doing good things for their neighbors, but the time has come to make some changes. We are going to put the Florida State Elks Association on the map. They deserve to be PROUD, VISIBLE, VOCAL AND let their community know they are the LOCAL solution for charitable giving. Elks Care, Elks Share - whether paying it forward or giving back. Elks are the new Local Solution!"

The Benevolent and Protective Order of Elks Mission statement: To inculcate the principles of Charity, Justice, Brotherly Love and Fidelity; to recognize a belief in God; to promote the welfare and enhance the happiness of its Members; to quicken the spirit of American patriotism; to cultivate good fellowship; to perpetuate itself as a fraternal organization, and to provide for its government, the Benevolent and Protective Order of Elks of the United States of America will serve the people and communities through benevolent programs, demonstrating that Elks Care and Elks Share.

The Elks National Foundation, established in 1928, has distributed over \$3 billion in cash, goods and services to the nations youth, its veterans, the disadvantaged and handicapped and in support of patriotic and civic programs. The Elks National Foundation mission is "helping Elks build stronger communities." We do this by providing tomorrow's leaders, our youth, with a healthy beginning, by providing more scholarships than any organization besides the U.S. Government.

The Florida State Elks support its two charities, the Florida Elks Youth Camp and the Florida Children's Therapy Services. The Florida Elks Youth Camp is located on 385

acres of rolling hills, forests, lakes and open space in Marion Country, Florida. The camp has a ratio of one counselor and one counselor in training for every seven campers and is accredited by The American Camping Association as a safe camping environment for children.

The Florida Elks Children Therapy Services provides physical therapy and occupational therapy to Florida children with 20 mobile units consisting of both Physical and Occupation Therapists. They treat children all over the state of Florida who do not have easy access to therapy as a result of financial consideration without regard to the ability to pay for such services.
