

Michael Fugler to Chair, Speak and Moderate at Finance iQ 10th ILS Summit, Bermuda

Southampton, Bermuda / [PRBuzz](#) / July 19, 2011 - - Michael Fugler, a recognized global expert in Life Settlements, to Chair Finance iQ, a Division of IQPC, 10th Insurance Linked Securities Summit, Bermuda, July 18-20, 2011. Mr. Fugler will also speak and moderate a panel on:

Advances in LE Reliability

- Key changes to mortality tables underlying current evaluations
- How life expectancy change in the future will have an effect in the markets
- How LE providers can work together to be more responsive to investors

Alex Simon, Portfolio Manager for IQPC stated, "Michael is very well respected by his peers making him an excellent Chair for a global conference, as far as his work ethic he is both dependable and consistent and always delivers beyond my expectations."

Mr. Fugler stated, "The Bermuda Insurance-Linked Securities Summit is the biggest conference of the year for ILS so being Chair is a great opportunity to interact at the highest level with industry participants. I am especially looking forward to networking with so many members of the reinsurance industry and global fund managers in attendance."

Also on the Panel:

Michael V. Fasano, President, FLMI

Michael Fasano began his career in 1972 at the White House Office of Management and Budget, where he served as Senior Budget Examiner until 1976. From 1976 until 1983, Mr. Fasano served as Investment Advisor to General Investment Funds, a pension management group with \$1.7billion in assets under management. In 1983 Mr. Fasano was appointed Executive Vice President of Trans-General Life Insurance Company, and in 1986 he was named President. Mr. Fasano served as President and CEO of Trans-General until 1990, when he started Fasano Associates.

Mr. Fasano previously served as Adjunct Professor at the University of Maryland 's Graduate School of Management and Technology, University College. He has served on the Board of Visitors of Northwestern University's College of Arts and Sciences since 1993. Mr. Fasano received his B.A. from Northwestern in 1970, and his M.A. from the University of Wisconsin, Madison in 1971.

Mr. Fasano now serves as President of Fasano Associates, with primary responsibility for directing the firm's underwriting business. His previous assignments have included

reorganizing an individual life & health strategic business unit, developing a new portfolio of long term care products, and negotiating the sale of life and health lines of business, as well as significant portfolio of mortgages and real estate. Mr. Fasano has written numerous articles published in Best's Review, Pensions and Investments, and the American Council of Life Insurers' Publication, Forecast. He is a frequent speaker at industry seminars and conferences. Currently, Mr. Fasano is serving as a Board Member of LISA.

Jeff Mulholland, Bermuda - Société General

Former Chairman and CEO of Insurance Capital Markets Holdings, Ltd., which is an investment manager that focuses on the longevity and life settlements markets. Insurance Capital Markets offers both derivative and cash strategies in the sector, and has significant expertise in both areas.

Jeff served as the President of Life Equity, the 3rd largest originator of policies in the life settlements market, which originated approximately \$1 billion of face amount of policies in 2007 and has over 60 employees. He resigned from Life Equity to pursue the creation of Insurance Capital Markets.
