About FSXinterlinked Investment Conference

FSXinterlinked is the premier investment conference organization in the United States. Founded as Financial Services Exchange (FSX) in 1983, it is a national organization comprised of independent FINRA broker/dealer firms and private equity fund managers. With quarterly investment conferences hosted throughout the U.S., FSXinterlinked creates a forum for emerging growth companies seeking capital to present to a nationwide network of financial investment professionals.

The FSXinterlinked network of independent broker/dealers has a combined sales force of thousands of accredited investors looking to invest in companies of all sizes and industries. To date, more than \$3 billion has been raised for presenting companies through the FSXinterlinked network. FSXinterlinked's exclusive network of FINRA firms makes the investment conferences the ideal setting for private and public companies seeking mezzanine financing, funding for private placements, IPOs, secondary financing and pipes, exposure, and more. For more information, visit <http://www.fsxinterlinked.com/>.

Interlinked is a global investment community of accredited investors, emerging growth companies, and resource partners. Interlinked offers an efficient way for companies to maximize exposure and access a private network of funding sources and verified service providers. For investors, Interlinked provides a secure environment to find, vet and engage companies, and communicate with members. Interlinked gives members exclusive access to a proprietary investment platform, which integrates virtual data rooms, video news, a service provider marketplace, an event directory, and customized marketing services, including email marketing, video production, public relations and more.
