

Michael Fugler Addresses West Coast Wall Street Awards Banquet

Newport Beach, CA (PRBuzz.com) October 22, 2012 -- The Awards Banquet, sponsored by Greenberg Traurig LLP and the MZ Group North America at the West Coast Wall Street Conference, and held at the Balboa Bay Club in Newport Beach featured the presentations of select public microcap companies from around the country and veteran investment banker, Chester "Chet" Paulson was honored with the Gary E. Bryant Lifetime Legacy Achievement Award.

Mr. Fugler stated, "I have had the privilege of knowing and working with Chet Paulson for almost 20 years, co-managing and underwriting the European side of numerous transactions with him. Chet's consistent successful performance in the micro-cap marketplace for over 30 consecutive years "in my book" makes him a legend. It has been my pleasure to be a part of his success and I look forward to working in the future with the team he has assembled."

Regarding the West Coast Wall Street Conference, Mr. Fugler stated, "For years California has had an active investment banking community but the recession resulted in a significant slow down in the capital markets. Recently, I have seen investment banking activity, in particular the micro-cap sector, accelerate and I believe Patrick Howell and his West Coast Wall Street Conference has been a major contributor to the micro-cap rejuvenation. When addressing the West Coast Wall Street Conference I was given the opportunity first hand to see that Patrick has energized the California investment banking community and is providing a needed platform which I look forward to participating in."
